Hi!

Long range forecast for Saturday is good at this point, so meeting attendees are certainly welcome to fly in to Falmouth Airpark (5B6). There is plenty of parking near the operations building. Rae and I will be monitoring the frequency to guide flyers. So far there are 4 North Jersey members coming to the cookout at my house after the meeting, with the possibility of more.

If everyone could bring a potluck item to share, that will be great. We have plenty of burgers and dogs. A head count would be helpful to figure out chairs and tables.

Sherry is making some kind of breakfast loaf or similar, and we will have coffee ready in the ops building, so no need for a box of joe.

Anything else? Hoping for a good turnout. Do we have any necklaces finished to sell?

Thanks,
Candie
