### **Scholarship Committee**

I am thrilled to announce our new **Scholarship Chair, Kelly Keane!** Kelly joined our chapter last year and has stepped forward to lead the ENE Scholarship Committee. Thank you Kelly! Contact Kelly if you would like to be part of the Scholarship Committee.

Speaking of ENE Scholarships, help us recognize one of our outstanding members: We are seeking **nominations** now!

Our ENE 99's Chapter will be awarding a recipient in 2024 with a scholarship funded by our Chapter. Each year a long-time, current member of our Chapter is selected via nominations and honored for their significant contributions by naming the scholarship after them. Please send your nominations to Kelly Keane at [kkeane41@gmail.com](mailto:kkeane41@gmail.com) by June 12, 2024. The 2024 Scholarship committee will review, select and inform our group this summer!

### **Spring 2024 Section Meeting:**

Our Chapter will be hosting the Spring 2024 Section meeting and planning is underway. We are researching possible venues near the New England Air Museum and would like to showcase the new women's exhibit as part of the Section celebration. If you have any ideas on venues please share with any of the committee members: Beth Young, Georgia Pappas, Vera Dimoplou. If you have volunteered and I missed you, or you would like to help with planning, please reach out to Beth Young.
