Come Celebrate Beverly Airport Family Days in Beverly, MA!

Call for volunteers: Beverly Airport is having an Air Show 9/23-24/23 and we can have a table. A few years ago. we raised some good scholarship money selling aviation related items here. We already have 1 volunteer and we are looking for a few more. If you can work all or part of either day, please let me know and we will order some gliders, etc., to sell at this event. **RSVP to me by 8/20 so we can decide if we will support this event.** For more information, see <http://www.flight4cf.com>

We are close to the deadline on our **Scholarship Matching Challenge** - Can you help us?

Lauren Lee issued a matching funds challenge to the chapter - she will match up to \$1000 this year, so we could have a \$2000 Takeoff Scholarship instead of a \$1000 scholarship! We would love to have participation across the chapter on this challenge, and we are happy to accept donations in any amount! Please email our treasurer at sue@benua.net with your name and donation amount. The **Challenge ends 9/1/23.**

Registration for the Air Race Derby is Open! New this year, teams can be co-ed! Either the pilot or co-pilot must be a certificated female pilot or student pilot. You pick the course and fly it between 9/29 -10/9. This is a great opportunity to challenge your own piloting skills. See the website for more details: <https://derby.airraceclassic.org/>

Correction - our next meeting was incorrectly listed as 9/6. The correct date for our next meeting is Saturday 9/9 at Norwood, 9:30 Coffee, 10 am meeting - **Please let me know if you want to volunteer to bring the coffee:)**
