

99s: Women Pilots of Eastern New England

Scholarship Luncheon
March 9, 2024 - Noon-3:00
Papa Razzi Trattoria, Wellesley
Registration info below

Heather Howley, Speaker

ENE Scholarship Luncheon:

It's Scholarship Season! The judges have met, and scholarship recipients have been selected but not yet announced...

Please join us on **Saturday, March 9th from 12-3** for the Annual Eastern New England 99s Scholarship Luncheon. This is Our Flagship event, where we celebrate scholarship recipients, our donors and our esteemed members. Share the enthusiasm as we help pilots on their aviation journeys. Our guest speaker will motivate all of us to expect the best out of ourselves. Heather Howley, DPE, Business Owner and Operator of Independent Helicopters, will share her story, and you will want to be there to hear it!

We will be returning to **Papa Razzi Trattoria, 16 Washington St, Wellesley, MA**. They did a fabulous job for us last year. **Cost per person is \$55.00**. Guests will order off a special menu at the restaurant on the day of our event.

Deadline for registration is March 1st, please register today!

We are trying a new registration process this year. Use the link below to register for lunch. If you are not comfortable using online registration, payments can be mailed directly to: Sue Benua, 19 Brook Lane, Berlin, MA 01503-1671 (questions: sue@benua.net)
Make checks payable to ENE 99s.

Northboro Junior Woman's Club 16th Annual Women in STEM Conference March 23, 2024 from 9-2:

We have been invited to share aviation as a career option with middle school girls. The format is 4 interactive workshops of 30-35 minutes. From the Jr Womens Club: "The girls will be interested in learning why you chose your career, what you like about it, and what you actually do. If possible, tips on courses to study, ways to prepare for your career, and any obstacles you faced and how you overcame them will also be useful information to share." Even if you are not a professional pilot, or you are a student working towards that goal, your participation would be welcomed. Contact Sue Benua this week at sue@benua.net if you can help support this event; we need to rsvp yes or no back to the group.

Spring Section Meeting 4/19-20 Volunteers:

We have a great Section Meeting weekend planned. We are in need of the following volunteers: 2 people to run registration check in at the Doubletree from 3-4:30, 2 people to run check in at the New England Air Museum from 4-5pm, 1 person to coordinate with 99s flying in for the meeting, 2 people to coordinate goody bags for participants. Contact Beth Young if you can volunteer at elizabethyoung1989@gmail.com.

Keep those photos rolling in: Any day in the air is better than most, and we appreciate seeing what you are doing and seeing! Email them to rachel.spates@gmail.com, or post them yourself here:
