

99s: Women Pilots of Eastern New England

Active September Coming Soon!

Where did Summer go?

My summer flew by, I hope you have been enjoying yours!

Thank you, Arlene Alexander, for sharing this great photo of dinner and mentoring with Julia Lindow and Renna Kingsbury. Mentoring is an ongoing interaction between a more experienced pilot and a newer one, sharing stories and celebrating achievements. There may be someone at your airport looking for advice and encouragement - check it out!

We have so much in store as we roll into September and beyond.

Our business meeting will be held by Zoom on Monday, September 9th at 7pm.

September 14-October 14: Fly the New England Fall Flying Adventure. This year, our Chapter is hosting the Section Fundraiser. A dedicated team has worked hard to build a fun flying adventure. Please share the flyer at airports and FBOs, as well as with other pilot groups. This is a fun adventure that you can fly at your own pace. Fly to 1 airport or to all 6 airports. The more tickets purchased and airports flown to, the more chances you will have at winning a prize. You do not need to fly to participate in the fundraiser. Everyone is invited to our **awards**

ceremony at Mansfield on Saturday 10/26. (We will be looking for members to donate appetizers and desserts for this at our next meeting)

The Boston Chapter of Women in Aviation is reaching out to the New England 99's about Girls in Aviation Day! We are hosting a two day event on **Saturday September 21st + 22nd** at the **American Heritage Museum, Hudson MA.**

We would love to invite all 99's to participate as we are planning to have plenty of hands-on activities such as a VFR sectional scavenger hunt, flight planning, weight and balance, learning the phonetic alphabet + more!

It would be awesome to have female pilots leading these activities and inspiring the next generation of aviatrices!
