99s Museum of Women Pilots Library Project

Your 99s Museum of Women Pilots in Oklahoma City recently launched the Penny Nagy Youth Education Center. Penny was a Museum Trustee who lost her battle with breast cancer in 2018. Through the generosity of friends and family, the PNYEC aims to introduce youth ages 3-18 to achievements and opportunities in aviation and aerospace.

Hello Friends,

Hope this note finds you well.

I wanted to share an inspiring and uplifting blog post by our Missisquoi Valley Union High School [Harbor Freight Fellow](#), Julie Torres.

Hope you enjoy!

Warmly,
Beth White

The Center is developing a reading library, and you have an opportunity to support this effort by donating an aviation-themed book. It can be historical or biographical, fiction or non-fiction, civil or military, aircraft- or airman-focused.

As a special touch, we'd like to you write a short inscription in the book, such as your aviation job title, certificates held, how long you've been a pilot, an inspirational or motivational statement. You do not have to include your name unless you want to.

To support this project, please mail your book donation to The 99s Museum of Women Pilots, 4300 Amelia Earhart Dr., Oklahoma City, OK 73159-1106. Media mail is available through the US Post Office and costs less than first class.

The value of your donation is tax deductible (US only) to the fullest extent allowed by law. A receipt will be emailed to you upon request.

If you have any questions, call Shaylyn at the MWP, 405-685-9990, Thursday–Saturday from 10-4 or email to museum@ninety-nines.org. Thank you for your support!

Lisa Cotham, Chairman
99s MWP Board of Trustees

99s Important Message Regarding 2020 Conference

To all 99s:

We are looking at all our options as we continue toward the 2020 International Conference and Career Expo. We are watching the Centers for Disease Control and Prevention regarding COVID-19 and will continue to stay updated. Our members' safety is our paramount concern.

The Queen Mary is a hotel (not a seafaring cruise ship) that must abide by strict safety and health codes of the State of California and the County of

Los Angeles.

Currently, we have no plans to reschedule or cancel our 2020 Conference and Career Expo. However, we will continue to stay abreast of the CDC guidelines, State of California and City of Los Angeles mandates.

Please direct any questions to president@ninety-nines.org
