**When does our "Pre-Flight" really begin? When does it end?** Pre-flight is more than just checking the fuel and running through your pre-flight list. It starts from the moment you arrive at the airport until the wheels leave the ground on the runway. Discover the not-so-common issues that can be detected before the flight begins, as John Townsley addresses the decision making that goes into preflight. Human factors, aeronautical decision making, equipment, and environmental factors are important elements of the many "Go/No-Go" decision points in an effective pre-flight that might trigger a "No-Go" decision.

After registering, you will receive a confirmation email containing information about joining the webinar.

Please contact me if you have any questions.

**If interested, hurry! Deadline for submission is April 30.**

***The Karen Johnson Solo  
Scholarship***

The Ninety-Nines are accepting applications for the \$3,000 Karen Johnson Solo Scholarship to provide a young woman (age 16-20 at any time during the 2017 calendar year) with financial support for flight training through her first solo and beyond. The winner will also receive a King Schools flight training course she can use to prepare for the written exam or the oral exam and check ride. The scholarship will be awarded at the Aviation Appreciation Dinner at EAA AirVenture in Oshkosh on July 25, 2017, [www.99soshkoshdinner.com](http://www.99soshkoshdinner.com). **Applications must be received by July 1, 2017.** Proof of financial need and financial information is not required. Additional information about how to apply for the scholarship and a scholarship flyer can be found at [www.kjsoloscholarship.com](http://www.kjsoloscholarship.com). We get applications for this scholarship from many rising college freshmen who are enrolling in college aviation programs and just starting their flight training. We also get many
