

99s: Women Pilots of Eastern New England

Register Now for **New England 99s Section Meeting!**

April 27-28, 2018

Crowne Plaza Hotel, Warwick, RI

Registration deadline: April 15, 2018

The New England Section Meeting will be a fun-filled event, with a little business thrown in to keep the Section functioning smoothly. The Section consists of three Chapters, and this is a chance for members from all Chapters to get together and share ideas and stories of their adventures, past and present.

Friday afternoon will feature a cocktail hour where you can reunite with old friends and meet new ones. After a delicious dinner, Eastern New England 99 Desiree Kocis, a Program Coordinator for the Massachusetts Emergency Management Agency (MEMA), will discuss "Aerial Assessments: Aviation as an essential tool for public safety and disaster response." You don't want to miss this important information!

After breakfast Saturday morning, we will have the Business Meeting, where Chapters exchange information about their activities and the business of the Section gets done.

Saturday afternoon, Eastern New England Chapter has arranged for a tour of the Theodore Francis Green State Airport in Providence. The tour is free, but you do need to sign up in advance.

The Section has welcomed a number of new members recently, and these members, especially, are encouraged to attend the Section meeting and find out what our organization is all about. Older members who haven't yet gotten involved are also encouraged to attend.
