

99s: Women Pilots of Eastern New England

Oshkosh; Upcoming Aviation Events

Katahdin Wings Chapter does not have its own newsletter, but several of their members subscribe to this one. Most of my material for this newsletter came from KW members Mary Build, Lori Plourd, and Dannielle Courchene.

EAA AirVenture 2017 in Oshkosh came right on the heels of the 99s International Conference in San Antonio and was sparsely attended by New England Section members. Mary Build from Katahdin Wings and Glenna Maxwell from Connecticut Chapter were there. Glenna will undoubtedly share her pictures in Squawk 99s. Mary Build sent a link and pictures. Mary spent most of her time in the Vintage Aircraft area, and her plane won the award for Outstanding Custom Class C aircraft. Congratulations, Mary! Here is a link to the Sunday Wrap-up at Oshkosh that Mary sent:

All 99s are welcome to come and help with this event! Katahdin Wings is a small Chapter, and any ENE and Connecticut members who want to help out are encouraged to attend!

For more information, contact Lori Plourd at piperpilot2003@yahoo.com.

Air Race Terminus 2018

Katahdin Wings will be managing the terminus of the 2018 Air Race Classic at Fryeburg Airport next June. They will need our help in planning, preparing, and carrying out the event. Stay tuned for more information.

Stefanie flies for United and Brittany is a flight attendant. From these two different perspectives, they talk about how to “Detox” the workplace, dealing with stress, communication, self-doubt, personal issues, challenges, attitudes, and much more. They will give you principles you can use in your everyday life. Their presentation was well received at the WAI Conference this past March. No matter what your situation, you will find something from this presentation you can take and apply immediately to your own life.

Skydiving at Fryeburg Airport Sept. 20-21

Skydive New England will be holding a skydiving event at Fryeburg Airport on September 20-21. Although this will not be an official 99s event, Lori Plourd and Dannielle Courchene from Katahdin Wings and Jann Clark from ENE think it would be fun to get together a few intrepid 99s to jump as a group.

if anyone is interested, contact Lori at piperpilot2003@yahoo.com or Jann

at jannclark99@yahoo.com. Perhaps, if we get enough people, we can ask for a group rate.

Mary's Award-Winning Plane

Women at Oshkosh

Over 1,000 women pilots and other women involved in aviation attending Oshkosh had a group picture taken, all wearing the same shirt. Mary didn't send a group picture - this was taken after the group picture. It must have been an impressive portrait of women in aviation!

Mary Receiving Award

Congratulations,
Mary!
