SUPPORT THE SCHOLARSHIP FUND
RESPOND BY SEPTEMBER 10

At our August Zoom Chapter meeting, we discussed the Chapter scholarships for 2023. Members were supportive of continuing our \$1000.00 Takeoff Scholarship but wanted a funding source. You may remember that we received a generous anonymous donation to fund the scholarship last year. At the meeting, we received a generous offer from our member Lauren Lee. Lauren offered to match donations up to \$500.00 to fund our Takeoff Scholarship! This is an amazing opportunity for us to offer training funds to a woman student pilot who is at the early stages of working on her qualifications. We would love to have our membership support this scholarship and meet Lauren's challenge! Thank you, Olga, for your scholarship donation pledge during the meeting! If you would like to donate to this scholarship and challenge, please email treasurer@womenpilotsene.org with your pledge donation amount. Thank you, Lauren!!!

OPPORTUNITY AVAILABLE - SCHOLARSHIP CHAIR

A HUGE thank you to Julie Marron for running our scholarship program for the past 5 years. Julie has done a remarkable job organizing the program, attracting qualified candidates and running a top notch scholarship luncheon. Julie, you have set us up for success for many years to come. We are looking for a member who is willing to take over as chair for the scholarship program. I promise you will not be alone in this venture - you will have the support of our village of members with you. We have great documents and checklists to run this program. Promoting aviation to women through scholarships is part of our foundation. Please contact chair@womenpilotsENE.org if you are interested in learning more about this opportunity.

FALL SCHOLARSHIP AUCTION

We are looking for donations of prizes, gift certificates and services to auction in November. It can be aviation related or something that would make a good gift - the holidays are right around the corner. Contact chair@womenpilotsENE.org if you have something to donate!

WE LOVE THE PROFILES
