

## 99s: Women Pilots of Eastern New England

### Holiday Party Pictures

Once again this year, Billie Downing opened her home to the ENE 99s for our annual Holiday Party. Thank you, Billie!

And thanks to everyone who attended the party - so good to see old friends and new from Eastern New England Chapter and a few guests from Katahdin Wings, as well. Everyone brought food and drinks, and we had a wide variety of foods to choose from. As usual, the Yankee Swap was great fun! A wonderful time was had by all!

This issue of Flylines will be totally devoted to party pictures. Another Flylines will follow, probably tomorrow, with news and flying stories. These are my pictures - if anyone has pictures to share, send them along!
