Christmas 2021, ENE Style!

December saw several Holiday celebrations by ENE Chapter members

December 11 included a **Zoom get-together for Elfster participants** to open their gifts together. Unfortunately, several Elfster participants were en route to the Ninety-Nines party in Cohasset and unable to participate.

Also on **December 11**, about 20 Ninety-Nines, a few 49 1/2s, and guests gathered at the Lighthouse Keeper's House in **Cohasset for an in-person Christmas Party**. Great company, lots of wonderful food, and a fun Yankee Swap. Thanks to Margot Cheel for arranging the venue and doing the organizing!

In the past couple of weeks, **Candie Oldham and Sherry Grobstein delivered Christmas cookies** on behalf of The Ninety-Nines to controllers and FBOs at several airports, including Martha's Vineyard, Hyannis, and Norwood. Thanks, Ladies!

Wishing Everyone a Safe and Happy Holiday Season!
