

# 99s: Women Pilots of Eastern New England

## **ENE 99s - we need your help!**

Hi 99s members,

The Board of Directors is planning on updating the 99s website, [www.ninety-nines.org](http://www.ninety-nines.org) and have designed a survey to solicit members opinions on the current website and what members would like to see in an updated website.

The survey questionnaire takes approximately 7 minutes to complete and all responses are anonymous.

Your opinions and the survey results will help the board with direction updating the design of the website.

**Click here to start the survey:**

**The final date to complete the survey is March 1, 2021.**

**Thank you for your participation!**

Does anyone know how to contact [Katharine Barr](#)? She apparently has left Hathorne Hill, the last address we have (and the address still listed in the 99s Directory).

A piece of mail sent to her on January 2 floated around in the postal system, accumulating "Unable to forward" stickers, until it came back to me this week.

If anyone has a current address, please let me know.

Thanks!

## Who Sent This?

Whoops! Olga Mitchell mistakenly threw away the envelope this card came in, and she doesn't recognize the handwriting.

Could whoever sent this card please contact Olga at [olgam6611@gmail.com](mailto:olgam6611@gmail.com), so that she can contact you to express her thanks? Olga would very much like to know who this is!
