

## 99s: Women Pilots of Eastern New England

### Generous Scholarship Donation from Alumnus!

Dear ENE 99s,

The photo below is Andy Meers seated in a Hawker 800XP. Andy received a scholarship in 2009 from ENE Chapter while he was at Bridgewater University. He contacted us to say, "Thank You to the 99s for supporting his training at a critical time."

Andy has had a career in the jet charter industry, and after 10 years in the industry, he founded the *Meers Aviation Company*. They specialize in on-demand jet charters.

As Andy said, he had a very good year and wanted to "pay it forward" to the 99s.

Andy donated \$2,000 to the 99s scholarship program.

We are extremely grateful for his donation.

Way to go, Andy!
