

99s: Women Pilots of Eastern New England

Hello, welcome to Flight #2021. We are prepared to take off into the New Year. Please make sure your Attitude and Blessings are secured and locked in an upright position. All self-destructive devices should be turned off at this time. All negativity, hurt and discouragement should be put away. Should we lose Altitude under pressure, during the flight, reach up and pull down a Prayer. Prayers will automatically be activated by Faith. Once your Faith is activated you can assist other passengers. There will be NO BAGGAGE allowed on this flight. The Captain (GOD) has cleared us for takeoff. Destination: PEACE.

Feel free to get on board and take this flight with me...#2021

Editor's Note: if this offends any of our non-religious members, feel free to ignore or delete it. It seems to me (who is non-religious), that we can all use a prayer for 2021!

If you have any adventures, flying or otherwise, to share, we would love to hear from you.

If you find aviation tidbits, like the inspirational prayer for 2021 above, shared by Margot Cheel, please send them along. Please send via e-mail, as I can't retrieve anything from text messages on my very un-smart cell phone.

Thanks!
