

99s: Women Pilots of Eastern New England

Chairman's Message

Happy Summer to everyone! It's been cool lately, but we had a warm, beautiful May meeting. Minute Man Airport took great care of us and showed us a wonderful time. We had a nice cozy meeting with a room jam packed with 99s and a tasty meal at the diner afterwards. After the lunch, we were given a once in a lifetime tour on a front end loader where we got to ride in the bucket and see all the work they are doing to improve the runway. To make it even more exciting, we got to see a high performance takeoff right before our eyes! It was one memorable day!

We hope to have even more to come, and in June, we'll be getting together to enjoy the Collings Foundation Open House in Stow. Mark it down on your calendars so you don't miss this opportunity to see all the history on display and spend time with the awesome ladies in our group! Hope to see you there!

Christi Ellis
ENE Chapter Chair
