### Desiree's Article in *Plane & Pilot*

Desiree Kocis published an article about Dunk Tank Training in the June issue of *Plane & Pilot* magazine. Here is a link to the article: [http://

Jann Clark just returned from a train trip across Canada from Toronto to Vancouver, with a few days in the Canadian Rockies. The Rocky Mountaineer is a luxury train, and the scenery was gorgeous - but the highlight of the trip was taking a seaplane ride from Victoria, British Columbia, to Vancouver, the day before returning home. Saved the best for last!

Desiree also attended the Aero Club of New England Cabot Award ceremony on June 4 and was able to get Harrison Ford's signature in her logbook.
