

## 99s: Women Pilots of Eastern New England

### **Amelia's Birthday Picnic!**

**Laconia Airport (KLCI)**

**July 13, 2019**

**Noon - 3:00**

**Come celebrate Amelia Earhart's birthday** (a few days early) with Flying Sister Ninety-Nines, friends, and family - everyone welcome. Tables & chairs will be set up on the grass next to the apron at the terminal, or we can use the conference room and terminal open space in the event of rain.

Bring your own picnic lunch, or pick up something at Kitchen Cravings Restaurant, located at 15 Airport Rd., just off the airport on the opposite side from the terminal. (603) 528-0001. Here is a link to the menu: <http://www.kitchencravingsnh.com/menu/>. Karen Mitchell will be happy to pick

up lunch for those flying in - just let her know when you RSVP (e-mail below). There is no restaurant at the airport itself.

Let's plan for 1200h arrivals, 1300h lunch, 1400h dessert and an ice-breaker game to make some more connections among attendees. We'll pack up and head out at 1500h.

Birthday cupcakes will be provided by Karen. Karen's middle school age kids can help with little ones if you want to bring them.

Please RSVP to Karen Mitchell at [karen.mitchell@winnaero.org](mailto:karen.mitchell@winnaero.org) if you plan to attend (or hope to attend), so we can get an approximate head count. Call/text (603) 707-0201 with questions.

We will be the guests of SkyBright, so plan to use them for FBO/fuel service. (603) 528-6818

**Directions** for those who plan to drive:

To get to the terminal by car, use the address **65 Aviation Drive, Gilford, NH**. More specifically, from Route 11 in Gilford, (just east of Hannaford, Walmart, and Gilford 8 Cinema; just west of Sawyer's Dairy Bar and Fireside Inn), turn north onto Route 11C, Lily Pond Road. You'll see Airport Country Store/Citgo/Dunkin Donuts at the intersection.

Drive 0.5 miles on Lily Pond Rd, turn right onto Aviation Drive. You'll see signs for Laconia Airport, Granite State Glass, Avis Car Rental, and SkyBright.

Drive 0.5 miles on Aviation Drive, turn right at the flagpole and park in the large lot on the right.
