Vermont Aviators Association Events

The Vermont Aviators Association is planning a nice line up of events at Franklin State and Rutland airports this year. Ryan Bliss, President of VT Aviators Association, is very excited about the 99s and would love to have us participate in any of these events. I know this is short notice for June 4 and 12, but if any of you would like to represent the 99's at any of these events, we would love to have representation. From Ryan: "We will have a table ready and waiting for you if you decide at the last minute to come to RUT and we will also have a table available to you at our future events. I think your organization has an amazing history and a great mission and we will do everything possible to support the Ninety-Nines." We have one volunteer so far for 6/12, Scarlet Morse, one of our VT members; thank you, Scarlet! It would be great if we could get a few people to join her. Please contact Beth Young (elizabethyoung1989@gmail.com) if you are interested in participating.

Fall Section Meeting

Big thank you to Jann and Becky for volunteering to make goodie bags for the Section meeting.

If you would like to help, the planning committee wants you!

Jessie, Beth & Karen are working out the event details, Merle crafted an eye-catching Save the Date card and she will be working on the Registration Form. We could use a volunteer to receive the Registration forms and keep track of who is coming. We also need volunteers to shuttle people to and from the Airport to the hotel on Friday and Saturday. If anyone wants to make centerpieces for the Dinner Cruise, and business meeting we would welcome your help. We need volunteers for check in Friday and someone to oversee Ways and Means sales for the section meeting weekend.
