Installation of Section Officers

ENE Chapter hosted the New England Section Meeting in Warwick, RI, this past weekend, and it was a job well done - a team effort under the leadership of Sue Lin resulted in a very successful meeting, after all the hassle of a brutal ride in rain and Friday traffic to get there! Our Friday evening speaker was our own Desiree Kocis, and she did a great job describing her job within the framework of MEMA (Massachusetts Emergency Management Agency), as well as sharing some of her flying experiences. The Saturday Business Meeting ended with the installation of new Section Officers by Billie Downing. A Saturday afternoon tour of the T.F. Green/Providence Airport capped off a wonderful
