

# 99s: Women Pilots of Eastern New England

## Happy Holidays! Please stay safe and healthy.

Here's hoping everyone had a safe and Happy Thanksgiving, despite the restrictions brought on by COVID-19.

If you traveled or spent time in contact with people you don't live with, please get tested and quarantine if necessary, so as many people as possible can have a healthy Christmas or Hannukah or whatever winter holiday they celebrate.

Thanks!

## Cookies for Controllers

Last week, Jessie Zuberek suggested that members reward their local ATC staff for their services with cookies and a Certificate of Appreciation from the ENE 99s. Putting her idea into action, Jessie visited the controllers at Beverly Airport (KBVY) over the Thanksgiving weekend.

### Cookies for Controllers:

1. Identify towers, flight schools, FBOs, etc. that you will visit. If there are possible overlaps with other members, reach out and coordinate the deliveries.
2. **VERY IMPORTANT!** Contact local towers for authorization and coordination (you can't just show up at the Tower!)
3. Bake or buy your favorite cookies/sweets.
4. Pack up your package
  - a. Shirt boxes/gift boxes from the dollar stores work great

as cookie boxes. They are affordable and you can often find holiday motifs in the stores this time of year.

- b. Festive outfits/costumes are encouraged at the cookie deliveries – make for great pictures and everyone loves it!
  - c. Design a *Certificate of Appreciation* for each delivery. Maybe have a couple of extra's just in case. Add your tail #, if applicable, so they'll "recognize" you.
- 5. Deliver cookies. Dress in your most colorful and fun holiday outfits!
  - 6. Please take pictures, if allowed, and share! Some Tower staff/management allow pictures, some don't.
