

## 99s: Women Pilots of Eastern New England

### **October 9 Was Special!**

#### **An In-Person Meeting AND a Surprise Baby Shower!**

October 9 was our first in-person Chapter meeting since COVID-19 forced us to switch to Zoom meetings. Several people joined in via Zoom, so it was technically a hybrid meeting, but about 20 people showed up in person. The meeting was held in the terminal at Beverly Municipal Airport.

**Our speakers were Tina Anderson and her daughter, Emma Anderson, who jointly own the Beverly Flight Center flight school. They spoke about the challenges and rewards of running a successful flight school and were upbeat and positive about the experience. We are trying to recruit them to the Ninety-Nines!**

**We will send out the minutes of the meeting when they become available. There will not be a Chapter meeting in November due to the Section meeting on November 12-13, and some kind of Christmas social event will occur in December - stay tuned for details!**

---

**After the meeting was adjourned, a surprise baby shower for Jessie Zuberek, organized by Beth Young, was enjoyed by the in-person attendees. Jessie was truly surprised! Her partner, Christian Kunert, was able to join us for the festivities. A nice lunch was provided, and guests were encouraged to suggest names for the baby girl due on November 5. Aviation names like Skye and Piper and Amelia abounded! If Jessie and Christian have a name picked out, they aren't telling!**

**Pictures below - enjoy!**

**Jessie and Christian and a stack of wonderful gifts! In the background, Beth Young, who orchestrated the surprise shower.**

**Baby's first airplane!**

**Candie's wonderful handiwork - an aviation-themed baby quilt**

**Guess who supplied a United Airlines onesie!**

The baby will have a good supply of burp cloths and safety mats and other necessities!

It's not easy to land a paper airplane on a runway! Thanks, Galina Vesnina, for devising this game!

## **Safety Pilot Request**

Hi,  
I'm Melanie Georger. I am a member of the Western New York chapter of the Ninety-Nines. I moved to MA about a year ago, but I am still fairly active with the WNY Ninety-Nines so I have remained in their chapter.

I currently take lessons out of KLWM, and I am working on my Instrument Rating. I wanted to ask, are there any members in the Eastern New England Chapter who are working on time building? I am in search of a safety pilot, preferably one who would like to go back and forth on safety piloting and we can split the cost. Though I am out of KLWM, I am okay with traveling to some of the other nearby airports.

If this sounds like any of the wonderful ladies in your section, please let me know! Thank you for your time, and I look forward to hearing from you.

Best,  
Melanie Georger
