

99s: Women Pilots of Eastern New England

Museum of Science Social Event

November 9, 2019

Museum Tour and Lunch

Plus

An Opportunity for our Chapter to Shine!

The tour and lunch at the Museum of Science event was originally intended as a purely social event for the Eastern New England Chapter, in lieu of a regular meeting. Beth Young volunteered to make the arrangements.

Beth has some exciting news! **On November 9th, the Museum is celebrating STEM careers, and they have invited our Chapter to participate. They have invited two of our members to be guest educators for the day!** This would entail showing at the Museum between 11:30 and 12:00, undergoing Museum training on the event, enjoying a free lunch, and leading an educational activity at an assigned table (Beth is suggesting making paper airplanes and discussing what makes them fly, but other suggestions are welcome). No experience is necessary to be a guest educator. The event will wrap up at 4:00.

Additionally, Beth has secured a **discounted admission rate** for our group, but the Museum wants to know how many adults and children will be included in our group.

Beth needs to know who our volunteers will be and who is planning to attend the social event by October 14th.

Please RSVP to Beth at elizabethyoung1989@gmail.com or 774-228-3049.

Reminder - Register for the Fall Section Meeting Now!

The Fall Section meeting in Worcester, MA, is fast approaching! If you haven't sent in your reservation yet, do so now!

Here is a link to the meeting information and registration

form: https://gallery.mailchimp.com/8f1693d56698349f3356ded0c/files/ef0541e8-148d-4618-a666-4ba9fbf49fdb/2019_Fall_NE_Section_Registration_1_.02.pdf.

The block of rooms at the hotel reserved for the 99s is sold out - the best the hotel can do right now is put you on a waiting list for another room in the hotel. Apparently, our Section meeting isn't the only big event in Worcester that weekend!
