The Ninety-Nines, Inc. is an international organization of licensed women pilots from 44 countries with thousands of members throughout the world. We are a non-profit, charitable membership corporation holding 501(c)(3) U.S. tax status.

The Ninety-Nines promotes the advancement of aviation through education, scholarships, and mutual support while honoring our unique history and sharing our passion for flight. The organization was founded in 1929 with 99 charter members, and Amelia Earhart was elected the first President in 1931. Membership was immediately opened to other women as they became licensed pilots. In recent years membership has been extended to include women with student pilot certificates.
