

## 99s: Women Pilots of Eastern New England

### **Section Meeting October 16-17, 2015**

**Wells, Maine**

**Registration Forms**

The New England Section meeting will be held on October 16 and 17 at the Hampton Inn & Suites in Wells, Maine, hosted by the Katahdin Wings Chapter 99s.

The speaker at dinner Friday evening will be Dr. Jean Hardy, Ph.D. She will share her experiences as a flight instructor, which includes instrument, multi-engine, and aerobatics instruction. She will also be sharing her knowledge of Unmanned Aircraft Systems (UAS), which will include history, definitions, and systems, as well as how they fit into aviation today.

After the business meeting Saturday, there will be an old-fashioned hangar barbecue at Sanford Seacoast Regional Airport, where the winners of the Flying Treasure Hunt will be announced.

## **Katharine Barr**

*Katharine has been laid up for a while. She sent this e-mail in response to the last Flylines: "Unfortunately, I won't be going ANYWHERE for quite a while. I've been penned up in the house for nearly 6 weeks already, and now I'm facing a knee "procedure" or surgery. I'm learning more about patience than I ever thought I'd need to! I'm just hoping I'll be back on my feet (literally!) by the time the holidays roll around! Anyone who's in the area, please do drop by. It's mighty lonesome here by myself day after day, not able to go anywhere (exc. the doctor's) or do anything! Best way to communicate with me is by e-mail ([kaybarr@verizon.net](mailto:kaybarr@verizon.net)). Love to see ya!*
