

## 99s: Women Pilots of Eastern New England

### **Air Race Classic Call to Action**

Things are heating up for the Katahdin Wings as we prepare for this summer's Air Race Classic Terminus duties. We are now officially looking for more help during these winter months - specifically in fundraising in the form of finding Sponsors. We will have a list of potential sponsors and an info sheet describing the various levels of sponsorship available.

If you signed up at the Fall Section meeting to be involved with the Air Race Classic (or if you didn't have a chance then and want to be involved now), please respond to Brenda Thibodeau, ARC Terminus Chair, at [brenda@greenthumbfarms.com](mailto:brenda@greenthumbfarms.com) to be included on a committee.

Helping with the Sponsorships is a great way to be involved if you won't be able to be at the Terminus in Fryeburg, Maine, on June 19-22. Even if you are planning to be in on the action at the Terminus - there's a lot of fundraising that needs to be done before the event.

Thank you for your support!

Katahdin Wings Air Race Classic Committee
