Calling all 99s and Friends!

Come celebrate summer and sisterhood in central New Hampshire, hosted by the Eastern New England Chapter. Bring your lunch & drinks; we'll have cupcakes & cold water.

This event is open to all 99s and their guests, not just ENE chapter members.

Meet on the lawn next to the KLCI terminal building (parking lot is adjacent). Picnic tables and chairs will be provided. Please bring a mask to wear while meeting new friends & chatting with old ones.

Call Skybright at 122.85 or (603) 528-6818 for you FBO needs. They also have 4 crew cars available if you'd like to pick up a food order when you arrive.

For those who fly in, Runway 26 is now right-hand traffic. Runway 8 is still left-hand traffic. Unicom frequency for Laconia is 123.0
