

99s: Women Pilots of Eastern New England

THANK YOU For Supporting Our Poker Run. Together we raised \$1650.00 to operate our Section and to promote the advancement of aviation through education, scholarships, and mutual support of the passion we all share!

It took the efforts of many ENE 99s to make the event a success. The presale of more than 100 hands, mostly online, was very successful addition to the event, and another 100 or so were sold in person. We had \$3,300 in donated prizes, solicited by our members. We had to postpone the event for a day, but lucked out with a beautiful flying day that brought out many happy participants flying to all or most of the airports.

Many lessons were learned as the event progressed., and Lori Plourd from Katahdin Wings was right there in the thick of it, participating in finding solutions as problems arose - so Katahdin Wings has a leg up on next year's event!

Below are some pictures that Beth Young took at the terminus in Mansfield during the event.
