Our thoughts and prayers go out to Jaime and her family..

### **Congratulations, Galina!**

Galina Vesnina welcomed her baby boy on February 8, 2022. All are healthy: Radimir weighed in at on 2/8/22, 8lbs 12 oz. and 22.5 inches!!

### **Save the Date!**

**Saturday March 12<sup>th</sup>**

### **Proposed Donation: Sisters of the Skies**

Sisters of the Skies is a nationally recognized organization focused on increasing the number of black female pilots in professional flight decks in both military and commercial aviation. In honor of Black History Month, a motion is being brought forward at our next meeting by **Beth Young** to donate to the Sisters of the Skies Gala Scholarship Fund. Women of color are exponentially underrepresented in the aviation industry. When this organization was forming, the number of “sisters” or black female pilots in 2016 was dismal with a total of 15 at United and 5 in the US Coast Guard. See the press kit or link to the organization below for more information about them. Their annual fundraiser gala is coming up 2/26/22.
