Galina Vesnina completed her Private check ride on December 15th at Laconia Airport and is expecting her first child in early February. Some of us met Galina at the October meeting in Beverly. She moved to Boston from Siberia in 2015 and has worked as a translator. Congratulations, Galina, on your PPL , and best wishes for the new arrival.

This picture is from a physical move of the Massachusetts Air and Space Museum that we assisted with on January 25. The museum is moving from one location in Hyannis to another on Main Street, across from the JFK museum. Many volunteers (pictured) made it run smoothly. Richard Dupee and **Sherry Grobstein** and Rae Willis and **Candie Oldham** are among those pictured.
