

99s: Women Pilots of Eastern New England

It's Winter!

Unfortunately, a storm blew through on our last meeting date, and we had to cancel the Beverly meeting and pivot to a Zoom only

meeting.

The weather is not holding back our plans for some **great upcoming events**. At our last ENE meeting, we voted to move our February chapter business meeting to a Zoom so members could participate in the other chapter's events happening on Saturday February 10.

February 10 at 12pm

CT 99s Event at Connecticut Valley Brewing

From the CT 99s Chapter:

We're having a gathering at [Connecticut Valley Brewing](#) in South Windsor CT on Feb. 10th, 12:00PM. This airplane-themed brewery is family friendly and also has a coffee shop - guests are welcome. We'll be revealing the winner of the section photo contest (and their photo will be permanently displayed at the brewery). We are also reaching out to newer members to attend.
