

99s: Women Pilots of Eastern New England

Report of ENE Chapter May 11 Meeting

Unfinished Business Volunteers Needed!

The May 11 Chapter meeting at the UMass Transportation Center in Chicopee was fun and educational for the few members who attended, but a lot of Chapter business was left unfinished, partly due to the low attendance.

First, some pictures from the meeting:

Michael Knodler, Director, explained the research and training projects the Center engages in. Aviation is a relatively new area for the Center.

Instruction begins in the classroom.

Air Traffic Controller trainees then move to a 22-panel, 360-degree full size simulator. The airport can be changed as needed (this is BMI) and various scenarios presented in the safety of the simulator.

UNFINISHED BUSINESS

Nominating Committee for New Officers in Fall of 2024

The Nominating Committee currently consists of Jann Clark. A couple more members are needed! If you are interested in serving on the committee or are interested in being nominated for Chair or Vice Chair (Sue Benua will stay on as Treasurer, and Vera Dimoplou has signed on as Secretary), please contact Jann Clark at jannclark99@yahoo.com or Beth Young at Chair@womenpilotsene.org.

Chatham Open House, June 8, 10-2

ENE Chapter will have a table at this event, and volunteers are needed to spread the word about The Ninety-Nines. Contact Beth Young (Chair@womenpilotsene.org) to volunteer. Or fly in for fun and come say hello at our booth!

Beverly Air Show, September 14 and 15

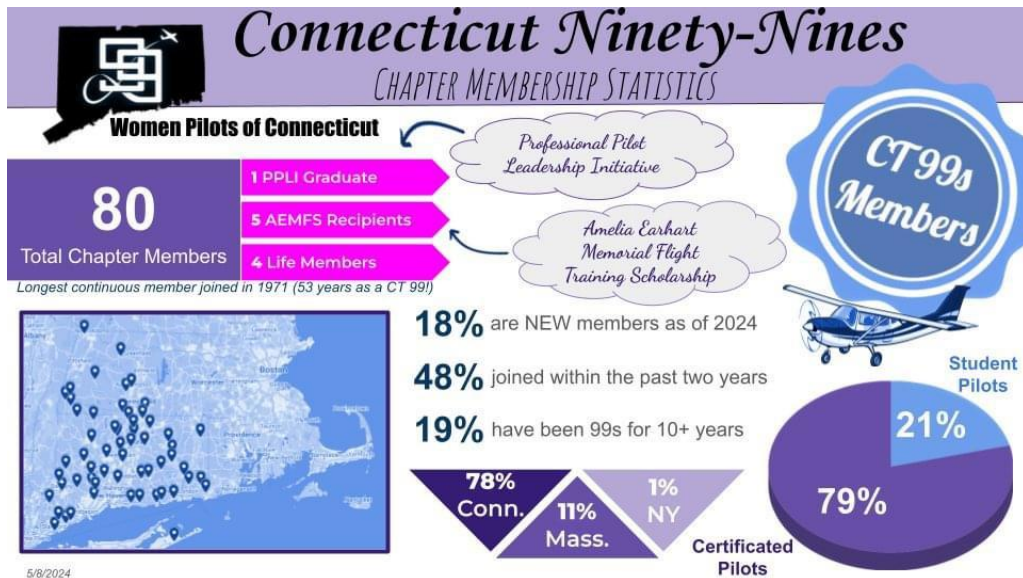

Show runner Rich Little apparently has great plans for The Ninety-Nines participation. Jessie Zubarek and Jann Clark are meeting with Rich on June 11 to see what he has in mind. At the very least, we will have a table, so pencil in one or both dates to be at the table. Stay tuned for more volunteer opportunities at this event!

New England Section Fundraiser - September 14 through October 14

This event will involve contestants flying to six airports within the time frame to be eligible for prizes. The details are being worked out, but for now, prizes (the bigger, the better!) are needed. Ask your flight school or FBO for donations, or donate yourself. Let Beth Young (Chair@womenpilotsene.org) know about any prizes you can obtain. When all the details are worked out, some volunteers will be needed for various tasks. The Awards Ceremony will be held at Mansfield Airport on October 26.

Chapter Statistics - Compiler Needed

The Connecticut Chapter published the graphic below. Merle Poulton would like to do something similar for ENE Chapter but needs someone to compile the information. Most is available on the 99s International website. If you are able to help out, contact Merle at <http://MerleannPoulton@gmail.com>.
