Meeting ID: 978 6672 6268

Passcode: V#iXQ1

Introducing the New Board
Julia Lindow (Vice Chair)

Julia became a member of the 99s in late 2023 when she had just taken her first step into the aviation world.

Still a student pilot, Julia recently soloed and is working on her private pilot certificate, flying out of KPYM (Plymouth) in a Cessna 152 with Alpha One Flight School.

Trained as a Geologist, Julia earned her PhD in Germany and worked as a Postdoctoral Investigator at the Woods Hole Oceanographic Institution, Woods Hole, MA. She also travelled many seasons between the poles as a Geology guide on expedition cruise ships, before she decided to follow her dream of becoming a professional pilot.

Since then, Julia earned a First Wings Award in 2024 and started working full-time at her flight school.

Meeting the 99s had a profound impact on her life and where her aviation journey has taken her so far. The support and inspiration in this group of unique women is unmatched, and Julia is proud to be a part of it.

Fly-in at Westerly August 23, 2025

By Julia Lindow

What a gorgeous day it was to be out and meet with kindred spirits!!

A big thanks to Lauren Lee, for providing her hangar for this fly-in and treating us to those tasty burgers. Also, thank you, to all the volunteers for setting up this nice venue, bringing all sorts of delicious food, and flipping those burgers and pancakes.

It was wonderful to see so many familiar faces and aircraft, as well as new ones. Besides the burgers, the T-shirts were a hit at Candie's Ways & Means table.

Personally, I was excited about the opportunity to fly to Westerly for the first time and very much impressed how welcoming everyone at the airport was.

It was a wonderful, sunny day with lots of smiling faces -- until next time!

Fundraising Successful!

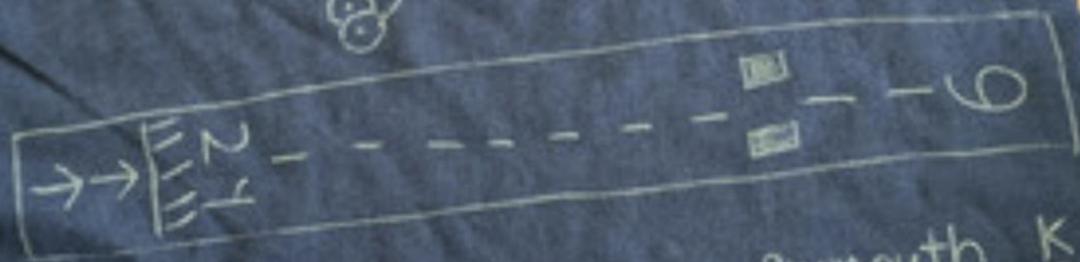

The Fly-In was a fundraiser, as well as a social gathering. Lauren Lee offered to match up to \$1,000 for an ENE Chapter scholarship. That goal was reached and surpassed, with the excess going into the general scholarship fund. Thanks to all who donated!

Congratulations, Julia Lindow!
